1. Water is to be used in accordance with water use plans as submitted to the project office.
2. Systems with leaking or open end lines or hoses will be shut off.
3. If you need to make a change to this ticket, or do not plan to use water as scheduled, please contact the project office. 654-4369
4. Canals may be shut down for moss control throughout the irrigation season. Any affected water turns can be rescheduled.
5. Please Note: Water may not be available through the end of the year. Water users will be notified if water is reduced or is no longer available.
